

S U N H O M E

**Make the world healthier
and happier.**

Sunhome is a transnational corporation specializing in R&D, manufacture and sale of supplements, who endeavors to become a global health service provider through cooperation with domestic and overseas fellow companies and distributors. We always uphold our principle of “Integrity First” , “Quality First” and “Service First” under the guidance of “Health and Wealth” and for a “Healthy Life, Happy Life” (our core corporate culture). Our company mainly deals in supplements, skincare products, massage equipments, functional tea, and daily necessities, etc. The quality of our products has been highly recognized by our customers to whom we will always try to offer our best customer service based on regular visiting and communication. Each and every customer’s health and satisfaction are both our goal and motivation.

ENTERPRISE HONOR

Cooperation, Unity, Development, Exchange and Win-Win.

There is no perfect individual, only perfect team.

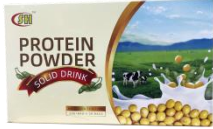

Our History

Our History

Product Introduction

A03 Danshen Drink

Ingredients: Herba Epimedii, Cistanche deserticola, Sun-cured ginseng, Cordyceps militaris, Radixrehmanniae, pilose antler, psoralen, ligustrum lucidum, dodder seed and other extracts.

Efficacy: It improves kidney yang weakness, impotence and sperm, waist and knee weakness, strengthens muscles and bones.

A05 Wood Lock Medicated Balm

Ingredients: This product is made of calcium carbonate, vitamin D3 powder (cholecalciferol, starch octenylsuccinate, sodium ascorbate, silicon dioxide, maltodextrin, granulated sugar, corn oil), soybean oil, beeswax, gelatin, glycerin, titanium dioxide, purified water.

Efficacy: It is the supplement of calcium and Vitamin D. It assists in lowering blood pressure, reduces the accumulation of aluminum in the body, helps to reduce cholesterol level, prevents dementia, hypertension and other diseases.

H01 Calcium Iron Zinc Soft Capsule

Ingredients: This product is made of calcium carbonate, iron lactate, zinc lactate, soybean oil, beeswax, gelatin, glycerin and purified water as the main raw materials.

Efficacy: Calcium can support the body and strengthen teeth. It is also an indispensable material in the human body in nerve activities and energy metabolism. It can maintain the excitability of nerve muscles, participate in the coagulation process, maintain the acid-base balance in the body, and regulate various physiological functions as a second messenger.

Iron is an important component involved in the synthesis of hemoglobin, myoglobin and cytochrome oxidase, and in the transport, exchange and tissue respiration of oxygen and carbon dioxide in the body. If the body lacks iron, it can reduce hemoglobin and cause nutritional anemia.

Zinc is mainly involved in the composition of various enzymes in the body (such as superoxide dismutase), which can promote growth and development (including protein synthesis and cell growth, division and differentiation), promote appetite, promote immune function, and protect vision.

H02 Cordyceps Soft Capsule

Ingredients: This product is made of cordyceps powder, gelatin, glycerin and purified water as the main raw materials.

Efficacy: It is a health product with enhanced immune function. It has the effect of tonifying lung and kidney, relieving cough, tonifying and nourishing blood essence.

H03 Carotene Soft Capsule

Ingredients: This product is made of B- Carotene, gelatin, glycerin and purified water.

Efficacy: It maintains visual function, meets the visual function of human body in dark environment, maintains the health of epithelial cells, plays an important role in the normal formation, development and maintenance of epithelial tissue, enhances immune function by regulating cellular and humoral immunity, captures free radicals, improves antioxidant defense ability, promotes cell growth and differentiation, promotes cell growth and differentiation and maintains normal growth and development of bone.

H04 Bitter Melon Soft Capsule

Ingredients: This product is made of balsam pear extract, cellulose, gelatin, glycerin and purified water as the main raw materials.

Efficacy: It regulates blood sugar, activates and repairs pancreatic cells, and promotes insulin secretion.

H05 Spirulina Tablet

Ingredients: This product is made of spirulina, silicon dioxide and magnesium stearate as the main raw materials, and is a health product with enhanced immune function.

Efficacy: It improves the immune function of the body, anti-cancer, anti-cancer and inhibiting the growth of cancer cells, anti-fatigue, anti-radiation and physical recovery, reduces blood lipid and cholesterol, improves intestinal environment and digestive function, provides nutrition and anti-aging, basic food to improve acid constitution.

H06 Liquid Calcium Vitamin D Soft Capsule

Ingredients: This product is made of calcium carbonate, vitamin D3 powder (cholecalciferol, starch octenylsuccinate, sodium ascorbate, silicon dioxide, maltodextrin, granulated sugar, corn oil), soybean oil, beeswax, gelatin, glycerin, titanium dioxide, purified water.

Efficacy: It is the supplement calcium and Vitamin D. It assists in lowering blood pressure, reduces the accumulation of aluminum in the body, helps to reduce cholesterol level, prevents dementia, hypertension and other diseases.

H07 Garlic Oil Soft Capsule

Ingredients: This product is made of garlic extract, soybean oil, gelatin, glycerin and purified water.

Efficacy: It prevents peptic ulcer balances, blood sugar, reduces infections on wounds, promotes hair growth, bone health and liver health, helps prevent Alzheimer's Disease and kidney infections, effective for cough and cold infections, reduces cholesterol level and the incidence of blood clots and lower blood pressure, improves digestion, clears out intestinal worms, destroys the bad bacteria and protects the good bacteria in the gut, boosts Immunity, helps detoxify heavy metals in the body and improves skin health.

H08 Propolis Soft Capsule

Ingredients: This product is made of propolis, beeswax, soybean oil, gelatin, glycerin and purified water.

Efficacy: Anti-infection, anti-virus, anti-tumor, anti-oxidation, anti-fatigue, anti-radiation, it lowers blood sugar, lowers blood fat, lowers blood pressure, lowers cholesterol, enhances immunity, eliminates free radicals, is beauty and freckle removing, promotes tissue regeneration, antibacterial and anti-inflammatory.

H09 Multivitamin Soft Capsule

Ingredients: This product is made of vitamin C, natural vitamin E, vitamin B1, vitamin B2, vitamin B6, soybean oil, beeswax, glycerin, iron oxide red, gelatin and purified water.

Efficacy: It enables the body to use carbohydrates as energy, is essential for glucose metabolism, it plays a key role in nerve, muscle, and heart function, helps break down proteins, fats and carbohydrates, plays a vital role in maintaining the body's energy supply, helps the body make the hormones serotonin which regulates mood and norepinephrine which helps your body cope with stress, helps the body make melatonin, which is important in helping regulate your internal clock and sleep, is for the growth and repair of tissues in all parts of your body, is used to form an important protein used to make skin, tendons, ligaments and blood vessels, heals wounds, forms scar tissue.

Ingredients: Chinese mugwort, Xinjiang long-staple cotton

Efficacy: Mugwort is bitter, dry and pungent powder, which can regulate qi and blood, warm meridians, dispels cold and damp, stops cold and pain. It can be used to treat such diseases as cold abdomen, dysmenorrhea, cold disorder and cold uterus.

E13 High Foam Oil Stain Clean

Ingredients: Emulsifier, oil scale saponifier, surfactant assistant.

Efficacy: It is foam cleaning, its recipe is mild, saves time and effort, doesn't hurt range hood. It is applicable to the cleaning of various oil stains in various places of the kitchen.

E14 Goat Milk Nicotinamide Shower Gel

Ingredients: Goat milk, nicotinamide.

Efficacy: Repair aging: the protein, fatty acid and other elements can repair aging skin cells. Skin elasticity: vitamin E in goat milk can make skin more elastic and shiny. Accelerate regeneration: goat milk is rich in epithelial growth factor (EGF), which can promote cell regeneration.

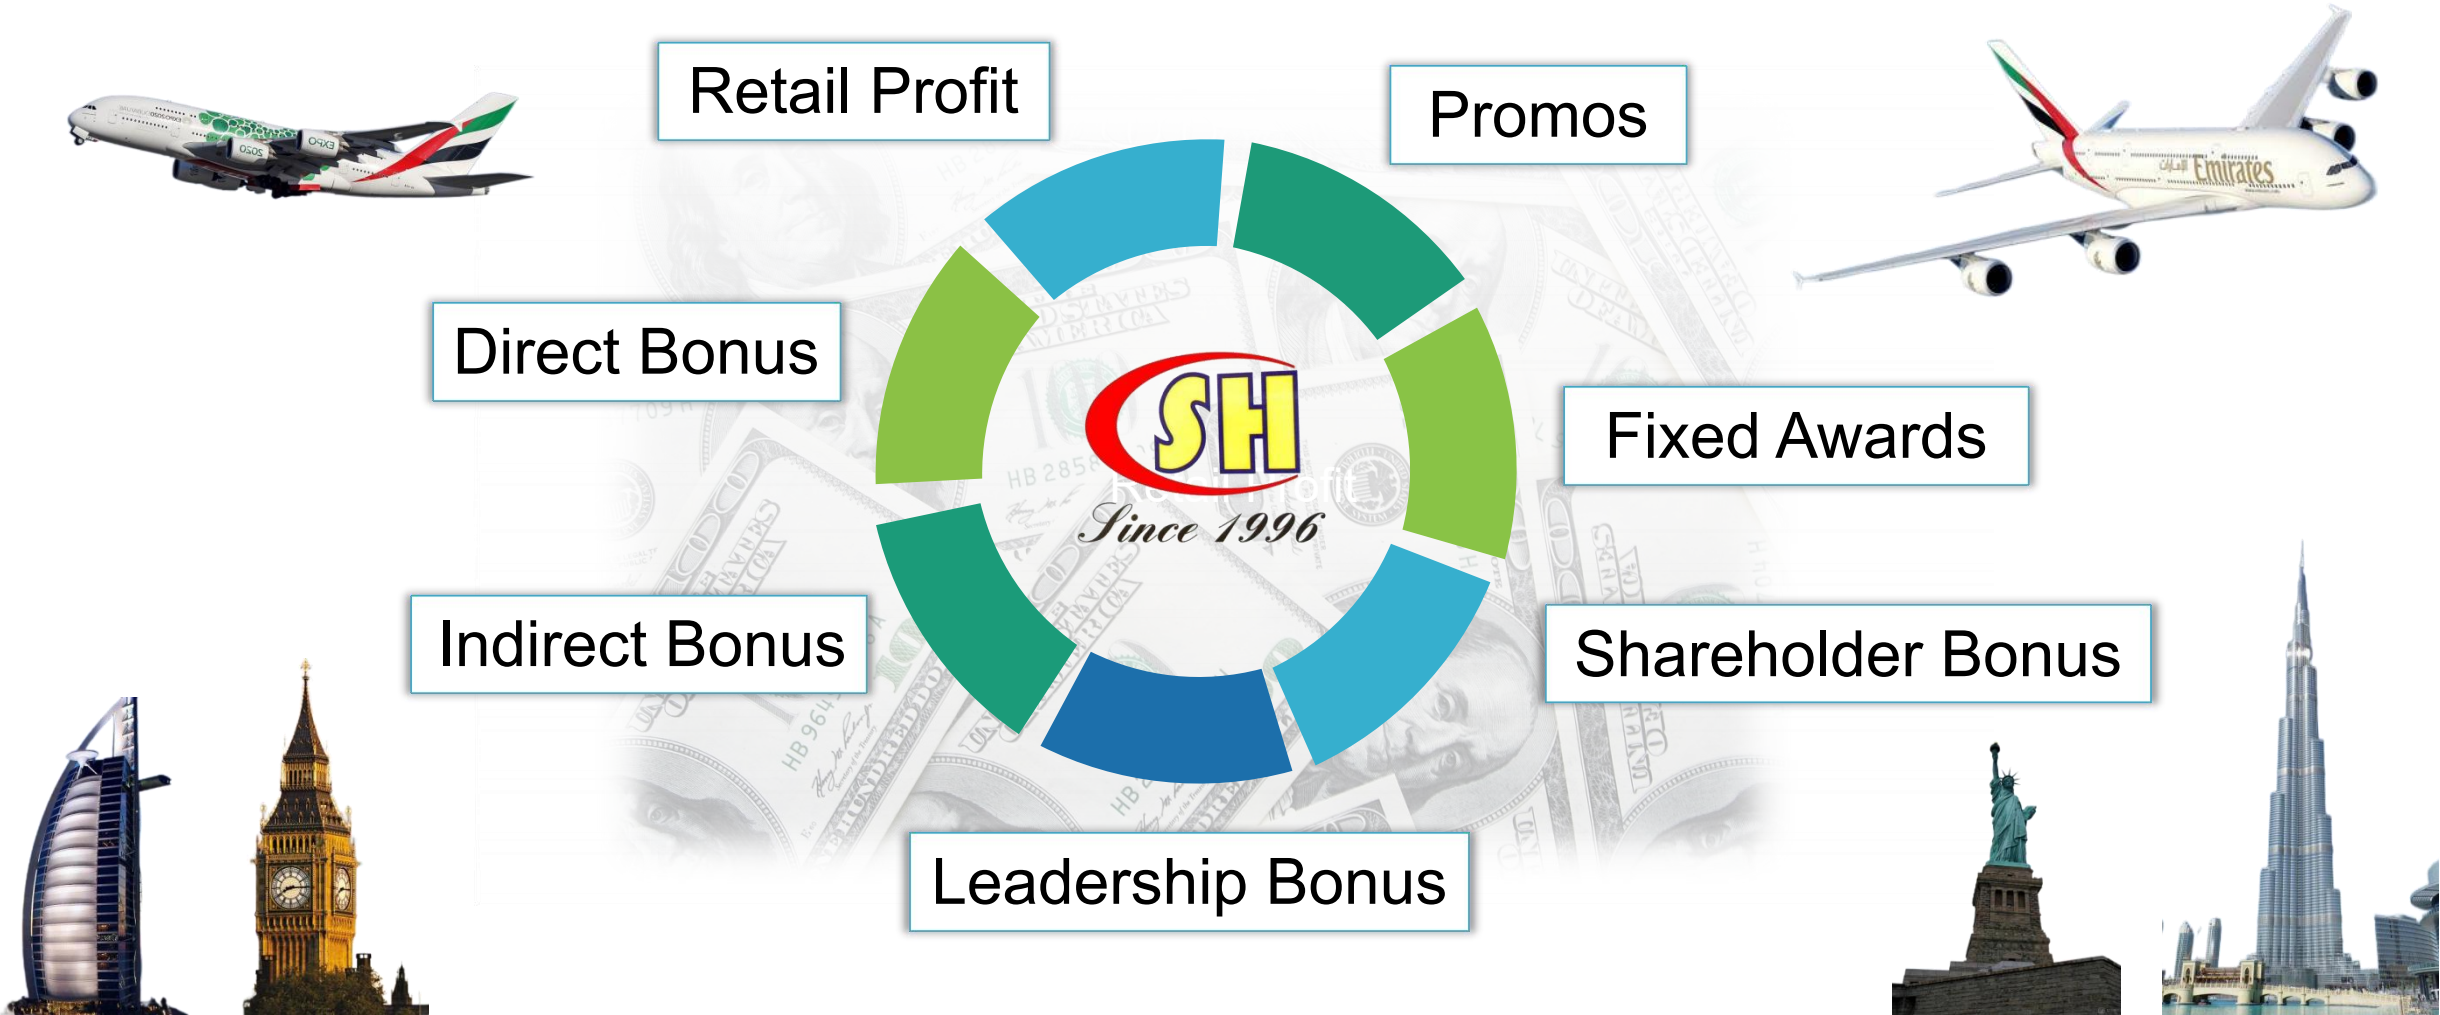

E15 Sunhome Color Doppler Diagnostic System

Functions: Analysis of biological activity indexes of various organs in human body:

- Nevous System
- Cardiovascular System
- Endocrine System
- Respiratory System
- Urogenital System
- Digestive System

SUNHOME BUSINESS EARNING SOURCES

Star One Distributor

Qualifications:

Individuals who purchase a set of SUNHOME Business Kit will become SUNHOME distributors after being approved by the company.

Starter Kits Purchase

Benefits:

The distributor has the right to order products from the company at the distributor's price, obtain 20% retail profits and recommend others to join SUNHOME business.

Star Two Distributor

Qualifications:

A Star One distributor who purchases more than or equal to 100PV from the company at one time can become a Star Two Distributor of the company in the current week.

100 PPV

Benefits:

1. 20% retail profit.
2. The distributor can obtain 6% of direct bonus in that specific week.

Star Three Consultant

Qualifications:

The total amount of products purchased by the Star One Distributor or Star Two Distributor in the company is greater than or equal to 250PV, then he/she is promoted Star Three Distributor in the current week.

250 APP/PPV

Benefits:

1. 20% retail profit.
2. The distributor can obtain 22% of direct bonus in that specific week.
3. Corresponding indirect bonus.

Star Four Consultant

Qualifications:

1. Make a single or cumulative purchase exceeding or equivalent to 1400PV.

1,400 APPV/PPV

2. Among the whole direct networks, there are at least three networks which contain one Star Three Consultant in each network, with the AGPV of the total network at 1400PV or more.

1,400 AGPV 250 CPPV

3. Among the whole direct networks, there are at least two networks which contain one Star Three Consultant in each network, with the AGPV of the total network at 2800PV or more.

2,800 AGPV 250 CPPV

Benefits:

1. 20% retail profit.
2. The distributor can obtain 26% of direct bonus in that specific week.
3. Corresponding indirect bonus.
4. Junior Star Award (20 US Dollars equivalent)

15 US Dollars

Star Five Consultant

Qualifications:

1. Among the whole direct networks, there are at least three networks which contain one Star Four Consultant in each network, with the AGPV of the total network at 5800PV or more.

5,800 AGPV 250 CPPV

2. Among the whole direct networks, there are at least two networks which contain one Star Four Consultant in each network, with the AGPV of the total network at 12000PV or more.

12,000 AGPV 250 CCPV

Compensation Plan

3. Among the whole direct networks, there are at least two networks which contain one Star Four Consultant in each network and another four networks which contain one Star Three Consultant in each network, with the AGPV of the total network at 5800PV or more.

5,800 AGPV 250 CPPV

4. Among the whole direct networks, there are at least one network which contain one Star Four Consultant in the network and another six networks which contain one Star Three Consultant in each network, with the AGPV of the total network at 5800PV or more.

5,800 AGPV 250 CPPV

Benefits:

1. 20% retail profit.
2. The distributor can obtain 30% of direct bonus in that specific week.
3. Corresponding Indirect Bonus.
4. Corresponding Leadership Bonus.
5. Fast Growth Award(150 US Dollars)

150 US Dollars

Star Six Consultant

Qualifications:

1. Among the whole direct networks, there are at least three networks which contain one Star Five Consultant in each network, with the AGPV of the total network at 25000PV or more.

25,000 AGPV 250 CPPV

2. Among the whole direct networks, there are at least two networks which contain one Star Five Consultant in each network, with the AGPV of the total network at 50000PV or more.

50,000 AGPV 250 CCPV

Compensation Plan

3. Among the whole direct networks, there are at least two networks which contain one Star Five Consultant in each network and another four networks which contain one Star Four Consultant in each network, with the AGPV of the total network at 25000PV or more.

5,800 AGPV 250 CPPV

4. Among the whole direct networks, there are at least one network which contain one Star Five Consultant in the network and another six networks which contain one Star Four Consultant in each network, with the AGPV of the total network at 25000PV or more.

5,800 AGPV 250 CPPV

Benefits:

1. 20% retail profit.
2. The distributor can obtain 34% of direct bonus in that specific week.
3. Corresponding indirect bonus.
4. Corresponding Leadership Bonus.
5. Leader Award(600 US Dollars)

600 US Dollars

Star Seven Consultant

Qualifications:

1. Among the whole direct networks, there are at least three networks which contain one Star Six Consultant in each network, with the AGPV of the total network at 100000PV or more.

100,000 AGPV 250 CPPV

2. Among the whole direct networks, there are at least two networks which contain one Star Six Consultant in each network, with the AGPV of the total network at 200000PV or more.

200,000 AGPV 250 CCPV

Compensation Plan

3. Among the whole direct networks, there are at least two networks which contain one Star Six Consultant in each network and another four networks which contain one Star Five Consultant in each network, with the AGPV of the total network at 100000PV or more.

100,000 AGPV 250 CPPV

4. Among the whole direct networks, there are at least one network which contain one Star Six Consultant in the network and another six networks which contain one Star Five Consultant in each network, with the AGPV of the total network at 100000PV or more.

100,000 AGPV 250 CPPV

Benefits:

1. 20% retail profit.
2. The distributor can obtain 40% of direct bonus in that specific week.
3. Corresponding indirect bonus.
4. Corresponding Leadership Bonus.
5. Business Car Award(10000 US Dollars)

Worth 10000 US Dollars

Star Eight Consultant

Qualifications:

1. Among the whole direct networks, there are at least three networks which contain one Star Seven Consultant in each network, with the AGPV of the total network at 400000PV or more.

400,000 AGPV 250 CPPV

2. Among the whole direct networks, there are at least two networks which contain one Star Seven Consultant in each network, with the AGPV of the total network at 800000PV or more.

800,000 AGPV 250 CCPV

Compensation Plan

3. Among the whole direct networks, there are at least two networks which contain one Star Seven Consultant in each network and another four networks which contain one Star Six Consultant in each network, with the AGPV of the total network at 400000PV or more.

400,000 AGPV 250 CPPV

4. Among the whole direct networks, there are at least one network which contain one Star Seven Consultant in the network and another six networks which contain one Star Six Consultant in each network, with the AGPV of the total network at 400000PV or more.

400,000 AGPV 250 CPPV

Benefits:

1. 20% retail profit.
2. The distributor can obtain 43% of direct bonus in that specific week.
3. Corresponding indirect bonus.
4. Corresponding Leadership Bonus.
5. Luxury Car Award(20000 US Dollars)

Worth 20000 US Dollars

Star Nine Consultant

Qualifications:

1. Among the whole direct networks, there are at least three networks which contain one Star Eight Consultant in each network, with the AGPV of the total network at 1600000PV or more.

1,600,000 AGPV 250 CPPV

2. Among the whole direct networks, there are at least two networks which contain one Star Eight Consultant in each network, with the AGPV of the total network at 3200000PV or more.

3,200,000 AGPV 250 CCPV

Compensation Plan

3. Among the whole direct networks, there are at least two networks which contain one Star Eight Consultant in each network and another four networks which contain one Star Seven Consultant in each network, with the AGPV of the total network at 1600000PV or more.
